TC BLUE

TC132
STAINLESS STEEL SAFE TOILET CLEANER

TC Blue is a advanced formulation which dissolves organics as well as limescale without brushing. Bleach free and safe to use on stainless steel. Prospate free.

USES

Suitable for cleaning toilets, urinals, removing heavy scale and organic build up.

Ideal for use in all washrooms in public places including schools, sports facilities, gym equipment, hotels, restaurants etc.

Do not use on acid sensitive surfaces such as marble, terrazzo, chrome or enamel.

Urinal

Toilet

DIRECTIONS

For regular cleaning of toilet bowls.

Lower the water level in the toilet to allow the solution to have contact time with the usual water level line.

Apply TC Blue neat under the rim and leave for 15 minutes contact time.

Then brush the bowl and flush.

Do not leave neat material in prolonged contact, always rinse off.
