# ULTRABAC

DT182  
HIGH PERFORMANCE BACTERICIDAL CLEANER

Essential everyday product to clean and sanitise frequently touched surfaces. Proven to kill 99.999% of bacteria and viruses across a broad spectrum, including Coronavirus, HIV, Hepatitis C, H1N1 Influenza viruses, Clostridium Difficile and MRSA (full test report available on request). Certified to EN standards: EN 1276, EN 14476 and EN1650.

## USES

Ultrabac concentrate is bleach free and safe to use on all common water washable surfaces. Pleasantly perfumed.

For cleaning and sanitising frequently touched items such as door handles, tables, banisters. When used as directed, also suitable for damp mopping.

Ideal for use in all public places including schools, sports facilities, gym equipment, hotel washrooms, animal handling etc.

Table

Chair

Hand Rail

Door Handle

Doors

Basin

Floor

## DIRECTIONS

Heavily soiled surfaces should be cleaned prior to disinfecting.

For general sanitising and protection against Coronavirus and Swine Flu, dilute 1 part product in 10 parts water. Spray on and wipe off in the normal manner and leave to air dry.

No need to rinse.

For damp mopping and killing food poisoning bacteria dilute 1 part product with 40 parts warm water.

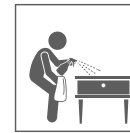

Mop or wipe surfaces down as normal and leave to air dry.

Damp Mopping

Spray and Mop

Spray and Wipe

Damp Wiping

## DILUTIONS

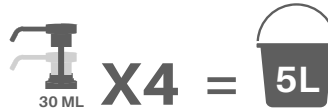

### GENERAL SANITISING

2 X 30ML PUMPS IN 750ML WATER

### DAMP MOPPING

4 X 30ML PUMPS IN 5L WATER
