# TC BLUE

TC137  
STAINLESS STEEL SAFE TOILET CLEANER

TC Blue is a advanced formulation which dissolves organics as well as limescale without brushing. Bleach free and safe to use on stainless steel. Proosphate free.

## USES

Suitable for cleaning toilets, urinals, removing heavy scale and organic build up. TC Blue can also be used in a diluted form to clean other washroom surfaces such as floors, walls and basins.

Ideal for use in all washrooms in public places including schools, sports facilities, gym equipment, hotels, restaurants etc.

Do not use on acid sensitive surfaces such as marble, terrazzo, chrome or enamel.

Bath

Shower

Walls

Floors

## DIRECTIONS

For regular cleaning of toilet bowls. Lower the water level in the toilet to allow the solution to have contact time with the usual water level line. Apply TC Blue neat under the rim and leave for 15 minutes contact time. Then brush the bowl and flush.

For hard surfaces, dilute one part to 40 parts cold or hand hot water. Spray the surface with this solution and rinse thoroughly with clean water. For damp mopping, dilute one part to 40 parts cold or hand hot water in a bucket.

Do not leave neat material in prolonged contact, always rinse off.

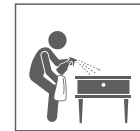

Apply Neat

Damp Mopping

Damp Wiping

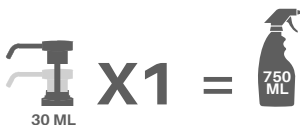

Spray and Wipe

## DILUTIONS

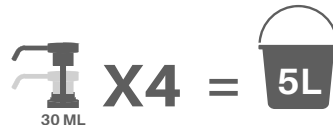

### GENERAL CLEANING

1 X 30ML PUMPS IN 750ML WATER

### DAMP MOPPING

4 X 30ML PUMPS IN 5L WATER
